Thanks, Peter.

Ellen and I will include these plans in the review of the ones we rec'd a few weeks ago. Is the public furniture shown on the previously submitted plans or are we still awaiting that?

Subject: Scott's signage plan

Dear Adrienne,

Please find attached an electronic version of Scott's proposed public access signage plan, as required by special condition II.B.5.c of permit no. 19-85(B), for BCDCC's review and (I hope) approval. The Port has already reviewed and approved this plan. Please let me know if you'd like a paper copy.

Please don't hesitate to contact me should you have any questions.

Peter
